

## *Agenda Commentary*

**Item Title/ Subject:** Golf Cart Lease

**Staff Source:** City Manager, Steve Hewitt

**Date:** Feb 28, 2014

**Background/Subject Information:**

Riverside Golf Course since 2004 has leased carts in effort to provide a “high quality” golf experience. Just completing the 3<sup>rd</sup> lease program, the Plan has been to maintain a quality fleet. Current lease expires this August with a \$24,000 balloon payment required. As in the past, this 4<sup>th</sup> proposed lease plan will pay off the balloon and last four payments.

Current payments are \$2025.00 per month. New 48 month lease would replace the current 30 carts with new carts at \$1980.00 per month. In addition provide a new Cushman Hauler to the City of Clinton for no additional cost. \$8000.00. value (see contract proposal provided).

Current carts are starting to age to a point where batteries and other items are becoming costly to maintain. New lease with new warranty continues the directional plan of the golf course. Cost savings.

**Recommendation:**

Staff recommends new lease. Approval by the Recreation Authority will guarantee May delivery in time for our first large tournament.

Each Golf Advisory Board Member has provided support of the continued lease program.

**Price/Cost:** \$1980.00 per month (\$23,760 annual cost) \$540 savings.
