

RESOLUTION 811

**A RESOLUTION SUPPORTING THE COMPLETE STREETS
PHILOSOPHY TO EXPAND TRANSPORTATION CHOICES IN
THE CITY OF CLINTON, OKLAHOMA.**

WHEREAS, a transportation system conducive to walking, bicycling, public transit for all ages and abilities reduces traffic congestion, improves public health, decreases air pollution, enhances economic vitality, provides a more livable community, and improves the overall quality of life for Clinton residents.

WHEREAS, Complete Streets are defined as those that provide safe and convenient transportation facilities for all modes of travel, including pedestrians, bicyclists, public transit riders, and motorists that are accessible for users of all ages and all ability levels.

WHEREAS, Complete Streets reduce road congestion by providing safe travel choices that encourage alternative transportation options, increasing the overall capacity of the transportation network as well as decreasing consumer transportation costs.

WHEREAS, Complete Streets enhance economic vitality by providing safe, convenient, and inviting pedestrian, bicycle, and public transit facilities that promote active public centers for users of all ages and abilities, and generate a sense of place in and around retail districts and provide connection between places of residence to centers of recreation, retail, education and places of work.

NOW THEREFORE, be it resolved by the Mayor and Council of the City of Clinton that:

Street projects should be planned, designed, and operated when feasible, in accordance with a Complete Streets philosophy, as outlined by the National Complete Streets Coalition, to provide for a balanced, responsible, and equitable way to accommodate and ensure travel for pedestrians, bicyclists, and public transit riders, of all ages and abilities amongst vehicular traffic.

Passed and approved this _____ day of _____, 2013.

SETH ADAMS, Mayor
